remembering Jill Prendergast

Celebration of Life July 22, 2018

Sadly – at my advanced age – I'm unable to travel to Calgary for Jill's celebration of life. But Eric and I will be remembering and celebrating Jill on July 22nd at our home in Parksville, B.C.

Jill was one of my closest friends since WAY back in the 1980s.

Jill was a great supporter of Altadore Gymnastics Club always willing to volunteer or judge our kids. Kids were always happy to see her walk into the Gym.

At competitions across Canada Lynn Smith, Kathy Stoesz, Jill and myself worked and socialized together. We were a bit of a clique in judging ranks.

For years Jill and I had dinner together once a week at the Red Carpet off McLeod Trail. Once in a while Jim Jarrell and other Gymnastics ne'er-do-wells made an appearance.

When I retired from Altadore, Jill was at my side.

We holidayed together to New Zealand, Vegas, Mexico and Arizona. Jill was a great traveling companion.

On the long flight home from New Zealand Jill led a group of passengers at the back of the plane STRETCHING. Always a booster of health, sport and fitness.

All the BEST to everyone remembering Jill on this bittersweet day.
